## Our Plainly Marked Prices Show That we Court Comparison of Values

FAR FROM WISHING TO HIDE OUR PRICES, we should like everyone in the city to become thoroughly familiar with them, so that they might compare them with those asked on similar grades of goods at other stores. We mark them all in plain figures to make comparison as easy as possible. It facilitates buying, too; for you can wait on yourselves if you wish, and it is plain evidence that we treat all alike and do not take advantage of anyone's ignorance of values.

THE BETTER YOU BECOME ACQUAINTED with this store and its methods, the more clearly you will realize that it is our constant endeavor to do as well by our customers as we possibly can-We use every effort to have each article thoroughly satisfactory. If, after all, actual use discloses flaw or shortcoming, be as fair to us as we try to be with you - come and tell us, and we will make it right.

OUR LINES OF FURNITURE are very extensive, and as complete as careful planning can make them. We have searched the entire country for new patterns and novel ideas, and have spent much time and thought in gathering the best examples of representatives styles. Each piece has had to stand close examination of its quality and construction, for we do not sell anything that we cannot honestly guarantee.

CARPETS MADE AND LAID FREE. We fully realize the importance of both the appearance and quality of Floor Coverings; so we have been exceedingly particular in choosing our stock. You can buy here with the full assurance that you are getting the best values that can be had anywhere, and we make no charge for sewing, laying, or lining carpets or for waste in matching figures.

MAKE YOUR OWN TERMS. We invite everyone who makes a purchase from us to arrange the payments to suit his or her income. We are always ready to extend the accommodation of credit, and there are no disagreeable features about opening an account here. All bills are payable at the store-no collector being sent to your house, except at your own request.
